

FLUA®

META RO AD TRIMLESS

New concept of downlight from FLUA. This miniature objects can create amazing lighting pattern for any room. Thanks to IP54 rate, META can be used in the bathroom or other areas where water proof standard is required. META is more than just a lamp, it is a wide product family with round and square shapes, fixed and adjustable, trim and trimless. META lamps are more light thanks to its PC plastic body. Reflectors can be easily changed. Black, white, silver and golden colors are available for choice.
